On your content.

Click on « Add paragraph » to select a paragraph in the list.
Full-filled the paragraph and save the page.

The screenshot displays a content management system interface. At the top, there is a navigation bar with 'Gérer' and a user profile 'Icod'. Below this, a menu includes 'Contenu', 'Structure', 'Configuration', 'People', and 'Aide'. The main content area is titled 'Content' and contains a 'Title + Text' section with a 'Retirer' button. The 'Text' section features a rich text editor with a toolbar containing icons for bold (B), italic (I), underline (U), strikethrough (x), link (I), and unlink (U). Below the editor, there is a 'Format de texte' dropdown set to 'Filtered HTML' and a character count warning: 'We advise you to not exceed 255 characters for a front optimum display'. A green 'Add Paragraph' button is highlighted with a mouse cursor. To the right, a 'Browse' panel is open, showing a search filter set to 'simple paragraph' and a grid of paragraph templates. The templates include: 'TITLE + TEXT', 'VIDEO CAROUSEL', 'CAREER - JOB OFFER MAP', '2 TO 4 LONG ARGUMENTS', 'REINSURANCE', and 'CAREER - JOB OFFER SEARCH/LIST'. Each template has an 'Ajouter' button below it.

HOW TO MANAGE A PARAGRAPH?

After adding the paragraph.
You can manage the order by drag and drop.
