

2023 ARVAL PERFORMED EXTREMELY WELL WITH AN ORGANIC GROWTH OF 6,9%*

Arval is part of BNP Paribas Group and a major player in long-term vehicle leasing as well as a provider of mobility solutions.

With the contribution of its employees around the world, Arval offers flexible solutions to better support customers through their energy transition.

ARVAL AND THE ENERGY TRANSITION

+85%* 166,363 battery electric vehicles (BEVs) in its leased fleet.

22% of new vehicle orders were BEVs in the last quarter of 2023.

+65%* of bike Leasing available in 14 countries.

125,000 car sharing booking available in 15 countries.

Arval Charging Services

Electric vehicle to be leased with a charging station, at work and at home.

Arval Mobility Pass

Enhance employer and employee mobility with a solution combining a payment card, an app and a management platform.

Rolled out with Edenred in Brazil, Betterway in France and XXImo in the Netherlands.

ChargePoint

+ than 500,000 charging points in Europe thanks to an International agreement with a major player in electric vehicle charging networks.

STRATEGIC PARTNERSHIPS

ELEMENT-ARVAL ALLIANCE

+ than 4.4million VEHICLES **56 COUNTRIES** On 5 continents

Element-Arval Global Alliance expanded thanks to the tripartite strategic cooperation agreement with Sumitomo Mitsui Auto Service (SMAS) in Japan, Thailand, India, and Indonesia and with SIXT Mega Rent in Serbia, Montenegro and Bosnia-Herzegovina.
