Detailed description: This is a screenshot of a user interface for configuring a header image and a call-to-action (CTA). The interface is divided into several sections. At the top, there is a 'Header image' section with a 'Title' field containing 'Title test Arval' (marked with a red circle '2'). Below this is a 'MEDIA' section (marked with a red circle '1') showing a gallery of images, with a mouse cursor hovering over a photo of call center agents. Below the media gallery are 'Remove' and 'Edit' buttons. The next section is 'CTA style *', which has two radio buttons: 'Button' (selected) and 'Link'. A red box highlights this section, and an arrow points to a text box containing 'choose the style of the CTA'. Below that is the 'CTA' section, which has a 'URL' field containing 'Contact Page (11606)' (marked with a red circle '3'). A red box highlights this field, and an arrow points to a dashed red box containing the word 'Link'. Below the URL field is a 'Link text *' field containing 'Link text Arval Test' (marked with a red circle '3'). At the bottom, there is a small instructional text: 'Start typing the title of a piece of content to select it. You can also enter an internal path such as /node/add or an external URL such as http://example.com. Enter <front> to link to the front page.'

When using a header image on the page, it title will erase the content title.

The image shows a screenshot of a Motortrade advertisement. At the top left, the word 'MOTORTRADE' is displayed in a bold, sans-serif font, with a red circle containing the number '1' next to it. Below this is a large image of a car's front end, including the headlights and side mirror. A red circle with the number '2' is placed on the left side of the car image. On the right side, there is a white rectangular box containing text and icons. At the top of this box, the word 'Motortrade' is written in bold, with a red circle containing the number '3' next to it. Below it, the word 'Motortrade' is written in a smaller font, with a red circle containing the number '4' next to it. A horizontal line separates this header from the main content. The first item in the list is 'Nearly 10 years' experience working with dealers', with a red circle containing the number '5' next to the text and a red circle containing the number '6' next to the word 'dealers'. To the left of this text is a green icon of two hands shaking. The second item is 'Bid and buy online whenever and wherever you are', with a red circle containing the number '5' next to the text. To the left of this text is a green icon of a computer monitor. The third item is 'Dedicated account manager support', with a red circle containing the number '5' next to the text. 3. ROADSIDE ASSISTANCE - FOR ALL

1. KEEPING YOUR FLEET ROLLING, WORLDWIDE

We work with leading roadside assistance companies, covering every corner of the road network, to ensure all your fleet vehicles keep rolling. Arval's roadside assistance isn't restricted – we're present across the globe. Our market-leading roadside assistance minimises your downtime and maximises your company's effectiveness.

2. ASSISTANCE FOR DRIVERS, PEACE OF MIND FOR YOU

Driver assistance

In the case of an accident or breakdown, your key concern - and ours - is ensuring the wellbeing of your drivers. Our [Driver Desk](#) is there 24/7 to give them direct advice, towing in the case of accident or wrong fuelling (*market specific*), or will arrange a [relief vehicle](#) (where applicable). Where possible, we aim to get them back on the road, safely and with minimal time lost.

Immediate Support

Where our roadside assistance can provide immediate support (such as a tire puncture or battery boost), we'll address the issue immediately. Where the mechanical breakdown goes beyond this, we'll always be your single point of contact: we work with suppliers, garages and workshops to cover all your needs, wherever your [vehicle leasing](#) fleet ends up. (*± country specifics*)

Travel or accommodation costs (market specific)

Breakdowns don't always happen close to home. We even cover most travel costs, and arrange for emergency assistance so your drivers aren't left stranded. If the need arises, we'll provide a hotel room for all vehicle occupants, and/or a taxi or train ticket home.

Add Item testimonial

The form shows the configuration steps for a testimonial. It includes fields for a paragraph title, a photo (with a 'Remove' and 'Edit' button), a video URL, a text area for the testimonial, and fields for the interviewee's name and job title. A blue arrow points from the text in the previous block to the 'Add Item testimonial' button at the bottom of the form.
